How well has the course met your learning needs?							✓
Comments: <i>Very thorough w/ examples (photos) - helpful</i>							
Was the information presented well and clearly?							✓
Comments: <i>Clear, concise</i>							
Do you feel the day provided value for money?							✓
Comments: <i>Content great, well delivered. Networking opps - very good. Lovely host.</i>							
Is the balance between PowerPoint learning & practical hands on about right given that you do have to learn the boring bits?							✓
Comments: <i>Well presented + informative - didn't find it boring at all</i>							

What do you need next? – e.g. a mentor, a more advanced course or revision learning day, a study group for the BBKA Basic Assessment????

Ideally a mentor - will attend Meg's study group and speak to local keepers.

What are your thoughts about the pre-course questionnaire? I find it useful to assess what information I need to cover for you but it is tedious to complete.

Yes, very helpful, helped me to realise / clarify what I needed help with / my gaps in knowledge.

What was most useful?

The USB - good assurance - made me relax + just listen knowing I had a reference.

What was missing?

obviously going into a real hive, but not practical for this time understandably - good time for getting a nuc.

How did you hear about our courses?

Beekeeping newsletter

more years of bee keeping and the contact with other keepers

What are your thoughts about the pre-course questionnaire? I find it useful to assess what information I need to cover for you but it is tedious to complete.

Sorry but didn't return it, shortage of time
(just circumstances)

What was most useful?

shook swarm, swarms and disease.

What was missing?

How did you hear about our courses?

Thru the group (Kendal bee keepers)

Any other comments (PTO if necessary)?

Very enjoyable day, and I came away with lots of answers to my 'stupid' questions. Was given clear instructions on procedures.

What do you need next? – e.g. a mentor, a more advanced course or revision learning day, a study group for the BBKA Basic Assessment????

I really enjoy our BBKA educational assessment evenings because they are a good balance of a learning and learning from other beekeepers

What are your thoughts about the pre-course questionnaire? I find it useful to assess what information I need to cover for you but it is tedious to complete.

Yes it was lengthy but a useful tool for me to know what gaps I have and what to focus on.

What was most useful? *The practical sessions were very useful for me to see how certain practices are carried out.*

What was missing?

How did you hear about our courses? *- From other beekeepers.*
