What do you need next? – e.g. a mentor, a more advanced course or revision learning day, a study group for the BBKA Basic Assessment????

*I think a mentor would be wonderful – someone to tech base into whenever I am unsure what is going on!*

What are your thoughts about the pre-course questionnaire? I find it useful to assess what information I need to cover for you but it is tedious to complete.

*Not too tedious to fill in – and it also helped me to crystallise what are my main learning needs.*

What did you enjoy most?

*Learning about shock swarms.*

Least?

*That feeling that my brain was overflowing towards the end of the day*

How did you hear about our courses?

*I don't remember!*

Any other comments (PTO if necessary)?

*Thanks for a terrific day.*
